Exhibitor Registration Sent 48-Hours After Booth Reserved

Martiz is the official Nexus 2022 registration vendor, and they will send a personalized email to the primary exhibit contact with registration and housing information no more than 48-hours after the booth is reserved.

The email is from: email_confirm@confmail.experiant-inc.com and it includes a link with login and password to the Exhibitor Registration Portal. Although the portal is different from where you reserved the exhibit, your password is the same.

Exhibitor registration for Nexus 2022 must be completed via the Maritz portal.

Maritz can assist with any questions via email: AMCPexhNexus@maritz.com or phone: 864-208-2600.

Housing Block Now Closed

The Housing block is now closed; however you can view available rooms [here](#).

Capture Your Leads with Badge Scanners Provided by Maritz

Maritz is AMCP's official registration, housing, and lead retrieval provider. They make capturing booth visitor demographics easy. Lead options include custom surveys, the ability to rank leads, and access from a secure portal.

Primary contacts were sent a marketing email and order forms are included in the [Exhibitor Service Kit](#).

Sign Up for AMCP Partnering

Designed to complement your exhibit experience, AMCP Partnering offers the ability to schedule 30-minute meetings in advance with attendees that select health plans, IDNs, PBM, or hospitals as their employer during the Nexus 2022 registration process.

Exhibiting clients can add Partnering to their registration for \$300 per participant. Partnering participants can then request pre-scheduled, 30-minute meetings with current, potential, or future clients using the meeting app.

Partnering is located conveniently in the Exchange. Hours are:

Wednesday, October 12: 2pm–5pm
Thursday, October 13 10am–2pm

For more information, contact [the AMCP Business Strategies team](#).

Get the App!

The Nexus 2022 app has launched this week for download! Search for Nexus 2022 under AMCP Events.

Each registered exhibit staff should have received an email from the app vendor Jujama (no-reply@jujama.com) with personalized link/login to download the mobile app this week.

The app brings Nexus 2022 to your mobile device and allows users to complete their own profile and view profiles of other attendees; manage a personalized schedule of education sessions and other onsite events; send private in-app messages to other attendees; receive important updates and

announcements while onsite and, for **AMCP Partnering participants only**, request meetings with other attendees.

Make sure your company description and categories are noted on the app – by entering online via the [Exhibitor Portal](#).
